2. District computers and networks are property of the District. Employees and students may use the District's network services and computers for personal purposes provided that such use does not directly interfere with the normal performance of duties, or with the normal operation of District systems or facilities. Use of these systems for unlawful purposes is not authorized and can constitute grounds for revocation of user privileges, removal of offensive material, and potentially result in disciplinary action.
3. While the District respects all employees' and students' right to privacy in work place communications, employees, students and others should realize that District communications systems are not always private. The District cannot routinely protect users' confidentiality in some situations. Some email or computer use, when created or stored on District equipment, may constitute a District record subject to disclosure under the California Public Records Act or other laws, or as a result of litigation. Users of District computer resources should be aware that such situations or laws may not permit the confidentiality of email or other documents or data on a computer in some circumstances.
4. The District shall not inspect, monitor, or disclose email or other computer files without the holder's consent, except (1) when required by and consistent with the law; (2) when there is a substantiated reason to believe that violations of law or provisions herein have taken place and the holder or user is the subject of suspicion; or (3) under time-dependent emergency circumstances or critical compelling circumstances.
 - a. Substantiated reason means that reliable evidence indicates the probability that violation of law or provisions herein has occurred, as

distinguished from rumor, gossip, speculation or other unreliable evidence.

- b.** Time-dependent, emergency circumstances means where time is of the essence and where there is a high probability that delaying action would almost certainly result in critical compelling circumstances.
 - c.** Critical compelling circumstances means that a failure to act may result in significant bodily harm, significant property damage or loss, loss of significant evidence of the violation of law or provisions herein, significant liability to the District or District employees or students
- 5. Except in emergency circumstances as defined above, District inspection, monitoring or disclosure of emails or other documents or data must be authorized in advance and in writing by the Chancellor. This authority shall not be further delegated. Unless precluded by law, law enforcement or related agencies, the District shall make a full and complete written record of the rationale for such access, which shall be provided to the affected employee within two work days of obtaining access.
- 6. Authorization shall be limited to the least perusal of contents and the least action necessary to resolve the situation. All inspection and/or monitoring pursuant to this Section is limited to the specific computer hardware which the District has a substantiated reason to believe were used in the violations as alleged and described in the written authorization. All inspection and/or monitoring shall be limited to the investigation of the violations as alleged and described.
- 7. Users should be aware that during the performance of their duties, Information Technology Services personnel occasionally need to observe certain transactional addressing information to ensure proper functioning of the District's computer services, including email. Except as provided in this Section or by law, they shall not intentionally read the contents of email or other documents, or to read transactional information where not germane to the foregoing purpose, or to disclose or otherwise use what they have seen.
- 8. Employees and students who use District computers and networks and the information they contain, and related resources, have a responsibility to respect software copyrights and licenses, respect the integrity of computer-based information resources, refrain from seeking to gain unauthorized access, and respect the rights of other computer users.
- 9. The District cannot and does not wish to be the arbiter of contents of documents in any physical or electronic media. The District shall not protect users from receiving transmitted or physically conveyed language or images which they may find offensive or objectionable in nature or content, regardless of whether such documents originated within or outside the District. Employees and students are strongly encouraged to use the same personal and professional

courtesies and considerations in such communications as they would with face-to-face conversation.

The warning will be issued through the college e-mail system to students, faculty, staff and the student newspapers. The information shall be disseminated by Director of Public Safety or designee in a manner that aids the prevention of similar crimes.
 5. Depending on the particular circumstances of the crime, especially in all situations that could pose an immediate threat to the community and individuals, the Director of Public Safety or designee may also post a notice on the campus-wide electronic bulletin board on the campus website providing the community with more immediate notification. The electronic bulletin board is immediately accessible via computer by all faculty, staff and students. Anyone with information warranting a timely warning should report the circumstances to the San Mateo County Community College District Public Safety Department by phone or in person at the campus Public Safety Office.

Local Law Enforcement Policy No. 2.52.1

1. Each College has a written agreement with local law enforcement agencies which clarifies operational responsibilities for investigations of Part I violent crimes, defined by law as willful homicide, forcible rape, robbery, and aggravated assault, occurring at each location.
2. The written agreements designate which law enforcement agency has operational responsibility for violent crimes and delineate the specific geographical boundaries of each agency's operational responsibility, including maps as necessary.
3. The written agreements are public records and can be made available for inspection by members of the public upon request to the Chancellor's Office.
4. The College Public Safety Offices maintain a close working relationship with local law enforcement. When incidents arise that require joint investigative efforts, resources, crime related reports and exchanges of information, the campus Public Safety Offices will work closely with local law enforcement agencies.
5. In response to a call, the Public Safety Department will take the required action, dispatching an officer or asking the victim to file an incident report. All incident reports received are forwarded to the Vice President, Student Services for review and potential action. The Public Safety Department may investigate a report when it is deemed appropriate.
6. Crimes should be reported to the campus Public Safety Offices to ensure inclusion in the annual crime statistics and to aid in providing timely warning notices to the community, when appropriate.
7. Public Safety officers have the authority to ask persons for identification and to determine whether individuals have lawful business at the District. Public Safety officers do not possess arrest power. Criminal incidents are referred to the local law enforcement officers who have jurisdiction on the campus. All crime victims and witnesses are strongly encouraged to immediately report the crime to the campus Public Safety Offices and the appropriate police agency. Prompt

reporting will assure timely warning notices on-campus and timely disclosure of crime statistics.

8. Professional mental health and religious counselors are exempt from reporting obligations. However, counselors are encouraged, if and when they deem it appropriate, to inform the persons they are counseling of procedures to report crimes on a voluntary, confidential basis for inclusion in the annual disclosure of crime statistics.
9. All reports will be investigated. The District does not have procedures for voluntary, confidential reporting of crime statistics. Violations of the law will be referred to law enforcement agencies and, when appropriate, to the District's Disciplinary Committee for review. When a potentially dangerous threat to the District's community arises, timely reports or warnings will be issued through e-mail announcements, text messages, the posting of flyers at local campuses, in-class announcements, or other appropriate means.

Gifts and Donations

Policy No. 8.38

1. A gift or donation is defined as a contribution of money, securities, real or other property, goods, or, in some cases, services to the District/Colleges or any organization officially sponsored by the District/Colleges (e.g., student club) in exchange for which no return is given. Such a donation may not be designated to benefit a specific person; donors will only be allowed to establish broad criteria over the disposition of a donation and all IRS requirements shall be observed.
2. The Board of Trustees shall consider all gifts, donations and bequests with a value of \$1,000 or more made to the District. The Board reserves the right to refuse to accept any gift which does not contribute toward the goals of the District, or the ownership of which would have the potential to deplete resources of the District.
3. The District shall assume no responsibility for appraising the value of gifts made to the District. Acceptance of a gift shall not be considered endorsement by the District of a product, enterprise or entity.
4. The Board shall not knowingly accept a gift or donation from a donor who engages in practices or policies which discriminate against any person on the basis of nationality, religion, age, gender, gender identity, gender expression, race or ethnicity, medical condition, genetic information, ancestry, sexual orientation, marital status, physical or mental disability, or on any basis prohibited by law; or when the stated purposes of the donation are to facilitate such discrimination in providing educational opportunity.
5. For gifts and donations which have a value of \$1,000 or more, the College or District Chief Executive Officer shall accept or decline the contribution on behalf

of the Board and report all such contributions in summary form to the Board semi-annually, with the date of receipt of the contribution shown. The General Manager at KCSM may accept or decline gifts for KCSM on behalf of the District and submit a report annually to the Board of Trustees.

- a. Gifts with a value of less than \$1,000 will be accepted or declined by the receiving unit's manager.
 - b. The value of a contribution will be reported on the aggregate value of all items contributed at one time by a single donor and not the individual value of each item separately.
6. Only those gifts and donations which are deemed by the receiving unit's manager to be useful to the educational program, to support services, or for fund-raising will be accepted. All gifts and donations shall be used for the purpose specified by the donors. Unrestricted gifts or donations shall be used in accordance with District/College plans.
7. For contributions valued at \$1,000 or more, the appropriate College or District Chief Executive Officer shall provide the donor with an official acknowledgment of the contribution. The receiving unit's manager will provide appropriate acknowledgment for contributions with a value of less than \$1,000. Except for the case of a monetary contribution, it is the responsibility of the donor to provide an estimate of the value of the contribution.
8. Employees are encouraged to refer prospective donors to the San Mateo County Community Colleges Foundation.

Housekeeping and Break Room

The San Mateo County Community College District provides break rooms for the benefit of its employees throughout the three campuses and the District office. Although the general cleaning of the break rooms are provided by Facilities Planning & Operations, employees are expected to attend to their personal dishes, utensils, and trash and keep the work area neat and orderly.

Easily accessible trash receptacles and recycling containers are located throughout the offices. Put all litter and recyclable materials in the appropriate receptacles and containers and report any needed repair/replacement to the appropriate Facilities office immediately.

Attendance Guidelines

Maintaining good attendance is very important. Frequent absences or changes in work schedule hampers employee's productivity, as well as the overall production of the department or section which would ultimately result in offering a poor service to the students.

Employees need time away from work for rest, relaxation, recuperation from illness, and personal and family needs. Classified employees are provided with paid time away from work in the forms of vacation, holiday time, sick time, bereavement leave, jury duty and witness time off. Academic employees (faculty) are provided with sick time, jury duty, and bereavement time. Employees are encouraged to study their Collective Bargaining Agreement in order to have a better understanding of the subject.

Tardiness in arriving to work after the scheduled time, leaving early, and extending breaks or lunch beyond regular times is also unacceptable conduct and if it becomes a pattern, may result in disciplinary action. Employees are encouraged to refer to

their Collective Bargaining Agreements in order to have a better understanding of the subject and to avoid actions that could be cause for disciplinary action by the District.

Personal Property

SMCCCD will not be responsible for employee's personal property that is damaged or lost at work and we encourage you not to bring personal items of value to work. Although the District does not prohibit the reasonable display of personal pictures, knickknacks, and the like of nominal value in offices or cubicles, the employee must assume responsibility for the safekeeping of such articles.

COMPENSATION

SECTION THREE

Salary

All District employees are paid according to established "salary schedules" that include incremental salary "steps." Salary schedules are available on District website at: www.smccd.edu/hr.

Regular employees of the San Mateo County Community College District will fall under one (or more if applicable) of the categories below. However, any increase in pay for cost of living adjustment and/or revisions to the current Salary Schedules, requires Board approval. The increase in pay for step advancement that takes place on a yearly basis (when applicable), does not require Board approval and will be handled automatically by the office of Human Resources and Payroll.

- a. **Faculty** (Contract, Regular or Part-time) – employees in this category are represented by San Mateo Community College Federation of Teachers, AFT. Pay for these employees are determined by Salary Schedule 80 for regular pay, OL for Overload, PO for Post-Retirement, HI for Adjunct Instructional and AJ for Adjunct Non-Instructional. Cost of Living adjustments are negotiated and if an agreement is reached, the effective date of the increase will typically be the first day of work for the employee in Fall of each year. Revisions to the current salary schedules will also be negotiated, but the effective date will be determined at the time of the negotiations.
- b. **Classified** (probationary or permanent) – based on the position, employees in this category are represented by California School Employees Association (CSEA) or American Federation of State, County, and Municipal Employees (AFSCME). Pay for these employees are determined by Salary Schedule 60 for members of CSEA and salary schedule 70 for members of AFSCME. Cost of living adjustments are negotiated and if an agreement is reached, the effective date of the increase will typically be July 1st of each year. For the positions that are presented by CSEA, the District will complete a salary survey at least once every four years as stated in the contract for the possible revision of the current salary schedule and the appropriate effective date. For the positions that are presented by AFCSME, the District will negotiate the revisions and the appropriate effective date as needed.
- c. **Executive, Management, Academic-Classified Supervisory (Exempt), Classified Professional, and Confidential** employees are not represented and their pay is determined through Salary Schedules 10, 20, 35, 40, and 50. However, they typically receive the same COLA as classified employees. Any modification to the Salary Schedules and the effective dates, will be recommended to the Board of Trustees by the Chancellor.

Long Service Increment (LSI)

All **non-exempt** classified employees of the San Mateo County Community College District receive Long Service Increment (LSI) in addition to their regular base salary. Please see below for details.

1. Classified employees who are paid through salary schedules 40, 50, and 60, follow the procedures addressed in CSEA contract article 8-4. Accordingly, each employee beginning his/her eighth (8), twelfth (12), sixteenth (16), twentieth (20), twenty-fourth (24), or twenty-eighth (28) years of continuous service with the District will be granted monthly long-service increments based on the schedule below. Employees will be eligible for the increment on the appropriate employment anniversary date and those who are employed less than full-time will have the increment prorated accordingly.

<u>Beginning Year:</u>	<u>Monthly Increment:</u>
Eight (8)	2.25% of base salary
Twelve (12)	3.25% of base salary
Sixteen (16)	5.75% of base salary
Twenty (20)	7.50% of base salary
Twenty-four (24)	10.25% of base salary
Twenty-eight (28)	11.50% of base salary

2. Classified employees who are paid through salary schedule 70, follow the procedures addressed in AFSCME contract article 8-4. Accordingly, each employee beginning his/her eighth (8), twelfth (12), sixteenth (16), twentieth (20), twenty-fourth (24), or twenty-eighth (28) years of continuous service with the District will be granted monthly long-service increments based on the schedule below. Employees will be eligible for the increment on the appropriate employment anniversary date and those who are employed less than full-time will have the increment prorated accordingly.

<u>Beginning Year:</u>	<u>Monthly Increment:</u>
Eight (8)	2.25% of base salary
Twelve (12)	3.25% of base salary
Sixteen (16)	5.75% of base salary
Twenty (20)	7.50% of base salary
Twenty-four (24)	10.25% of base salary
Twenty-eight (28)	11.50% of base salary

Exempt and Nonexempt Status of Classified Positions

Classified positions of the San Mateo County Community College District are either exempt or nonexempt positions.

Exempt employees (supervisory, administrative, and executive) are paid for worked done rather than hours worked and receive a fixed salary for work performed.

Non-exempt employees are paid for actual hours worked. Accordingly, any time worked in excess of their regular time, will be compensated either as overtime or compensatory time. These employees also receive LSI as explained above.

Hours of Work and Overtime/Overload

Depending on the category of employment, employees of the San Mateo County Community College District will follow their designated work schedule:

- a. The regular workday for full-time unit members of CSEA, consists of eight and one-half (8.5) consecutive hours that includes a one (1) hour unpaid meal period. The regular workweek consists of thirty-seven and one-half (37.5) hours in five (5) workdays, Monday through Friday.

District and CSEA have agreed that an employee may request modification of the 37.5 hour workweek of 7.5 hours per day, 5 days per week. The request is subject to the approval of the supervisor. Employees whose work schedule is less than 100% of full time may also request a modification of their work schedules. The adjustment of the work schedule will not result in a reduction of the total hours worked in a week, nor will the adjustment result in overtime pay, compensatory time, or shift differential pay. It is understood that the above modification may not be possible in some work areas and will vary from department to department. In all cases, the employee work schedule must be approved in writing by the supervisor

Upon prior approval of their supervisors, employees who work above and beyond their regular scheduled hours, may be entitled to overtime or compensatory time at the rate of one and a half time their regular pay.

Please refer to the agreement between the San Mateo County Community College District and the California School Employees Association, Chapter 33 (CSEA), Article 5 for detailed information.

- b. The regular workday for full-time unit members of AFSCME, consists of seven and one-half (7.5) consecutive hours within an eight hour (8) hour

period that includes a half-hour (.5) paid meal and rest period. The regular workweek consists of thirty-seven and one-half (37.5) hours in five (5) workdays. For all employees who are members of the unit at the time of ratification of the agreement, the five consecutive workdays will be Monday through Friday, unless mutually agreed to by the District, the employee, and the Union.

Despite the above provisions, the District may modify the thirty-seven and one-half (37.5) hour workweek to a four (4) consecutive day basis, Monday through Thursday, provided that the District certifies that the modification is likely to provide significant energy savings for the District and its employees. The regular workday in this case will be 9.375 hours, including two rest periods of fifteen (15) minutes each. No employee shall receive less compensation, vacation, holidays, seniority, or any other benefit that he or she would have received while working five days a week.

Upon prior approval of their supervisors, employees who work above and beyond their regular scheduled hours, may be entitled to overtime or compensatory time at the rate of one and a half time their regular pay.

Please refer to the agreement between the San Mateo County Community College District and Local 829, Council 57, American Federation of State, County, and Municipal Employees AFL-CIO (AFCSME), Article 5 for detailed information.

- c. The total required number of service days for each faculty member on a regular academic year contract shall not exceed one hundred seventy-five (175) work days, including any flex or staff development days included in the year. The academic year consists of two (2) separate instructional semesters, each begins on the first day of instruction and ends on the last day of final examination.

The contract responsibility days of instructional faculty will end once the total required number of service days is served and final grades and other official paperwork are submitted. The contract responsibility days of non-instructional faculty will end at the conclusion of the final examination period.

Compensation for counseling/advising responsibilities beyond the total 175-day commitment will be either paid at the faculty overload lab rate, by unit banking, or with compensatory time, schedule permitting.

Academic employees may occasionally be asked to work extra days that are not a part of the 175-day academic year. To the extent that funds have been budgeted and specific assignments approved by the

appropriate administrator, required services involving a minimum of six (6) hours of work will be compensated on a per diem basis. For less than a full day of work, academic employees will be compensated at the special rate of the Part-time or Faculty Overload Salary Schedule. The per diem rate is six hours at the special rate, Step 10 of the appropriate hourly salary schedule.

Please refer to the agreement between the San Mateo Community College Federations of Teachers Local 1493, AFT, AFT-CIO, article Article 7 for more detailed information.

Paycheck and Paycheck Stub

All regular employees of the District are paid once a month, on the last working day of each month. Employees may elect to have monthly paychecks deposited directly to their bank, credit union or other financial institution or receive a check from the Payroll office. If you wish to establish a direct deposit into you designated account, please fill out the "Payroll Direct Deposit Authorization" form and send it to the Payroll office with a cancelled check. The form is located on the downloads at: <https://sharepoint.smccd.edu/SiteDirectory/portal/default.aspxIt> under Payroll and it usually takes over two weeks to activate your direct deposit account.

Mandatory payroll deductions on your paycheck are: Federal and State withholding taxes, FICA withholding tax (Social Security and Medicare taxes), Retirement (STRS for Certificated positions, PERS for Classified positions, and STRS Cash Balance or Social Security for adjunct faculty), Union Dues as applicable, and Court Orders/Paybacks according to the instructions from the court order. Also, any leave without pay will be deducted from your regular pay.

Optional/voluntary payroll deductions are: 403B/457 Plan (based on the approved list of vendors available under Payroll downloads), contributions to SMCCCD Foundation, purchase of supplemental life insurance, dependent care flexible spending, health care flexible spending, faculty senate dues, and United Way.

Your paycheck stub provides important details of your gross earnings, voluntary deductions, taxes, vacation balance, sick leave balance, and other pay-related information. We encourage you to verify the information on your paychecks, including your name and Social Security number, so that errors can be corrected promptly before we issue your W-2 statement for your tax filing.

Your tax position may change from time to time. We strongly urge you to complete a new W-4 at the beginning of each year to ensure that we withhold the appropriate tax amount from your gross earnings.

Employees are encouraged to obtain their W-2 and W-4 forms as well as their paycheck stubs on the WebSMART rather than requesting paper copies.

PROFESSIONAL GROWTH & DEVELOPMENT

SECTION FOUR

Management, Staff, & Professional Development Programs

The quality of the District's educational offerings and services to students depends, to a great extent, on the quality of services provided by employees. As one means of maximizing the effectiveness of these services, the District provides:

- a. **Management Development Program for managers and academic supervisors:** this program is intended to provide opportunities for personal growth and advancement of employees through attending classes and workshops. The District will provide conference and tuition reimbursement as applicable.
- b. **Staff Development Program for Classified Staff and members of the classified professional/supervisory and confidential groups:** this program is intended to provide opportunities for personal growth and advancement of employees through attending classes and workshops. The District will provide conference reimbursement for a maximum of \$1000.00 per conference per fiscal year and tuition reimbursement for a maximum of \$1,400.00 per fiscal year as applicable, based on advance approval of the supervisor and available funding.
- c. **Professional Development Program for Certificated Staff:** This program is intended to provide paid/unpaid leave opportunities for regular academic employees to update, retrain, and extend their expertise to meet the current and future needs of the students. The leave options available through the program include the following:
 1. Conference/professional meeting attendance
 2. Short-term projects defined as activities of three (3) weeks or less
 3. Long-term projects defined as activities of more than three (3) weeks up to a full semester
 4. Extended leaves defined as full release from regular duties for an academic year

These programs will encourage professional growth that maintains and extends the high performance standards of all employees. Please refer to Chapters 4 and 5 of Board Policies for Classified and Non-Represented Staff and Chapter 13 of AFT Contract for Certificated Staff.

The professional growth and development is a collaborative process between the District and the employee. Ultimately, however, the success will depend equally, if not mostly, upon the employee. Your drive, your ability to learn, your effort to achieve or maintain a high level of performance, your willingness to take calculated risks, your acceptance of change and even your attitude have a bearing on how well you progress in the District.

Probationary Period for Classified and Academic Employees

The San Mateo County Community College District employs persons for faculty and non-faculty positions.

- a. A faculty member is an instructor, counselor, librarian, nurse or other employee whose position requires that s/he meets the minimum qualifications or equivalencies for community colleges as adopted by the State Board of Governors and the District Board of Trustees.

Faculty members are classified as hourly, first-year contract, second-year contract, third-year/fourth year contract, or tenured and will be notified of their classification. While on a contract status, faculty members are on probationary status and the status will change to permanent upon becoming tenured or regular faculty. Reemployment and classification of faculty is in accordance with the AFT agreement.

- b. The Board of Trustees, will classify and assign titles to all non-faculty positions and employees in these positions (both Represented and Non-Represented) who are considered part of the Classified Service.

All new and promoted employees in the Classified Service, will serve a probationary period of six months prior to obtaining a permanent status. Unsatisfactory performance during the probationary period, may result in termination of employment.

Performance Evaluations

Certificated Employees:

- a. Contract faculty will be evaluated each of the four years while in contract (probationary) status, even though a single contract covers the third and fourth years. The evaluation is processed by Tenure Review Committee and is an affirmative mean for awarding tenure based upon rigorous evaluation in the first four years of employment. In a way, it is a continuation of the selection process and emphasizes the fact that hiring does not guarantee tenure.
- b. Regular (tenured) classroom and non-classroom faculty will be evaluated at least once every three academic year. The evaluation is processed by Peer Review Committee and will alternate between Standard and Comprehensive Evaluation.
- c. Adjunct faculty will be evaluated full-time faculty and is an affirmative means for reviewing performance. Adjunct faculty will be evaluated in

the first semester of service and thereafter, at least once every six regular semesters.

Please check the AFT agreement, chapter 15 and appendix G for complete explanation of the process.

Classified Employees (to include Professional/Confidential):

- a. All newly hired classified employees are reviewed upon completion of the first three (3) and five (5) months of employment at the San Mateo County Community College District.
- b. Permanent classified employees who are promoted into a higher level job are reviewed on the same cycle as a newly hired employee.
- c. Following probationary reviews, classified employees are reviewed annually on their anniversary date of hire or promotion. However, after two consecutive satisfactory evaluations, the evaluation will be processed every two-year. An employee's anniversary date is defined as the date the employee is granted salary step advancement. For employees assigned to a classification during the first sixteen (16) days of the month, the anniversary date is the first of that month. If assigned after the sixteenth of the month, the anniversary date is the first of the following month.

Management/Academic Supervisory (to include Academic/Classified Exempt):

- a. All newly hired managers/academic supervisors are reviewed at the end of their six month probationary period.
- b. Employees who are promoted into a higher level job are reviewed on the same manner as a newly hired employee.
- c. Following probationary reviews, managers/academic supervisors are reviewed annually on their anniversary date of hire or promotion. The anniversary date is defined as the date the step advancement is granted. For employees assigned to a classification during the first sixteen (16) days of the month, the anniversary date is the first of that month. If assigned after the sixteenth of the month, the anniversary date is the first of the following month.
- d. Within a three-year period, each employee in this category will undergo a comprehensive evaluation which may include self-assessment, evaluation by peers and others (including those supervised) and evaluation by the supervisor.

Classified Promotional Opportunities

San Mateo County Community College District strives to provide opportunities for continued growth of its employees. Open positions may be filled from within the District, thereby providing advancement opportunities for employees. SMCCCD is

committed to providing promotions and lateral job transfers regardless of race, color, ancestry, national origin, age, sex, citizenship, veteran status, marital status, sexual orientation, physical or mental disability, religion or medical condition.

Vacant positions are posted on the employment website at: <https://jobs.smccd.edu> and are continuously updated as new positions become open or jobs are filled. Internal candidates usually have priority and are offered a time frame to apply for the desired positions and to be considered by the hiring manager for interview/skills test (when applicable). Outside applicants will only be considered when the internal process is closed and the position is not filled.

We encourage employees to discuss their potential for advancement with their supervisors and strengthen their skills for internal opportunities as they become available.

Museum of Tolerance (MOT)

Beginning with the 2000-01 academic year, the District has funded two groups of twenty employees (classified and academic staff, administrators, and Board members) each year through the two-day training offered by the Simon J. Wiesenthal Museum of Tolerance (“MOT”) in Los Angeles, CA. The training, titled “Tools for Tolerance” provides participants with intensive interactive learning experiences related to acceptance and valuing of societal differences in people and diversity of cultures, language groups, abilities, backgrounds and points of view.

In the Board meeting of May 29, 2002, it was approved to adopt the program as an institutionalized enhancement of the District mission, relative to valuing diversity for continued institutionalized growth.

The office of Human Resources is in charge of planning the attendance and providing all necessary accommodations for the participants.

Other Leaves

Employees of the San Mateo County Community College District may request the following leave of absences:

- a. **Personal Business Leave of Absence:** Employees may request leave of absence from duty for personal reasons that do not fall into any other type of leave. This type of leaves are without pay and without District paid health benefits and must be approved by the division/department administrator in advance.
- b. **Family and Medical Leave of Absence:** FMLA (Family and Medical Leave Act) and CFRA (California Family Rights Act) allow employees to

balance their work and family life by taking reasonable leave for certain family and medical reasons. Entitlement to Family and Medical Act provisions run concurrently with all other applicable regulations. To be eligible for FMLA/CFRA, you must (1) have worked for SMCCCD for the previous 12 months; and (2) have worked at least 1,250 hours during the 12-month period preceding the request for leave.

Approved family medical leave of absence, if applicable, may qualify the employee to use sick leave, vacation, compensation time, and/or extended sick leave/partial pay. Employee may continue to accrue vacation and/or sick leave while on paid status.

This type of leave is provided up to twelve (12) weeks due to serious health condition of the employee, family care, birth or care for employee's newborn, placement of employee's child for adoption or foster care, pregnancy, and family military leave.

For **maternity leave**, an employee is considered incapacitated for a period of six (6) weeks for a normal birth delivery and up to eight (8) weeks for caesarian section birth delivery following the birth of a new born baby. The District provides twelve (12) months of maternity leave without pay securing employment.

For the duration of FMLA leave (12 weeks), the District will continue the employee's health coverage. In the case of employee's own injury or illness, the District will continue to cover the health benefits for an additional five (5) calendar months following the expiration of all paid leaves. If the employee has a medical cap expense prior to the leave, the amount will be deducted from his/her pay.

- c. **Military Leave of Absence:** To protect the employment rights of employees entering the armed forces of the United States and to ensure conformance with the applicable federal laws, SMCCCD will grant thirty (30) working days of paid leave to all regular employees who enter military service for active duty. If employee's service exceeds the 30 days granted by the District, employee will be placed on leave without pay and without benefits until his return.
- d. **Exchange Teaching Leave** (Certificated employees only): Upon the recommendation of the Chancellor-Superintendent and approval by the Board of Trustees, a leave of absence of not more than two consecutive semesters may be granted for exchange teaching.

More on Pregnancy Leave

Below is the summary on pregnancy leave and pregnancy disability leave:

- a. Maternity leaves of absence are presented to Board of Trustees for approval.
- b. For maternity leave, an employee is considered incapacitated for a period of six (6) weeks for a normal birth delivery and up to eight (8) weeks for caesarian section birth delivery following the birth of a new born baby. Employee will be able to use sick leave (as applicable) to stay on paid status during that period.
- c. If and when sick leave is exhausted during incapacitated period, classified and non-represented employees may be eligible for Extended Sick Leave (ESL) and certificated employees may be eligible for Partial Pay (PP) for the remainder of the period (usually six or eight weeks).
- d. Concurrent with ESL and PP, employee may be eligible for Short Term Disability (STD) through Hartford Life & Accident Insurance Company. STD begins after 30 calendar days or exhaustion of sick leave, whichever is greater.
- e. Upon exhaustion of Short Term Disability, if employee is still unable to return to work based on medical certification, coverage converts to Long Term Disability (LTD) through Hartford Life & Accident Insurance Company.
- f. The District provides twelve (12) months of maternity leave without pay securing employment. For the first five months of the leave, the District paid health benefits will continue. However, since FMLA/CFRA, Family Medical Leave Act & California Family Rights Act, provide 12 weeks without pay with District paid benefits, based on each case employee may be eligible to use the twelve week and continue the benefits for another five months.
- g. When both parents work for the District, the combined total weeks used by the two employees for FMLA/CFRA, will not exceed 12 weeks.
- h. Employees of Classified Services may use vacation/comp time and certificated employees may use unit banking to stay on paid status throughout the leave of absence.
- i. Employee continues to accrue sick/vacation time while on paid status for at least 50% of full time each month.
- j.

Procedures for Leave of Absence Requests

1. For leave requests for thirty (30) or more calendar days, employees are required to complete the Leave of Absence Request Form and submit the form to their division/department administrator.
2. Leaves of twenty nine (29) or fewer calendar days are processed through collaboration with the employee, Human Resources, and Payroll Department. This type of leave does not require Board approval or completion of the leave request form and will be reported on employee's monthly absence affidavit.

3. Leaves of absence without pay for thirty (30) or more calendar days and maternity leaves of absence will be presented to the Board of Trustees for approval.
4. While on paid status through sick leave, extended sick leave, vacation, and partial pay (for certificated employees) for at leave 50% of full time, the District will continue the health benefits.
5. Once the employee is on approved medical leave without pay, the District paid health benefits will continue for five months and employee will be responsible for the applicable medical cap.

Return to Work

An employee has the right to be restored to his original job or to an equivalent job, identical to the original job in terms of pay, benefits, and other employment terms and conditions for all approved leaves of absence. The Family and Medical Leave Act require two (2) day notice before returning to work. However, the District would like to be notified by the employee two (2) weeks prior to returning to work. The Office of Human Resources may request a fitness for duty examination at the District's expense.

Employee may also be allowed to return to work with job duties modification or work schedule restrictions with advance notice. The Human Resources Department will review the restrictions and notifies the employee whether or not approval has been granted to return to work. Approval is based on restrictions and job duties.

Unapproved Leave of Absence and Termination of Employment

Failure to supply a certification of health care provider form will result in an unapproved leave of absence and denial of a family/medical leave of absence. Falsification of information may result in an unapproved leave of absence and grounds for immediate termination.

At the expiration of all applicable paid District leaves, employees may request up to three medically-verified leaves of six (6) months each, for a total of eighteen (18) months. For classified employees, denial of medical leaves of absence request may result in placement on the thirty-nine (39) month re-employment list, until such time that the employee is medically-released and fit to return to duty.

Unapproved leaves of absences will result in separation of employment from the District.

Workers' Compensation Leave

All employees and volunteer workers of San Mateo County Community College District are covered by Workers' Compensation for injuries and illnesses that occur while at work. Currently, the management of all District workers' compensation matters is the responsibility of the Human Resources Department in conjunction with our third-party administrator, Sedgwick Claims Management Service.

Supervisors and administrators are responsible for assuring that the required employer reporting form is completed and sent to the Human Resources Department within twenty-four (24) hours of the time that the injury or illness is reported to them.

Procedure

1. Upon occurrence of work related injury and/or illness, employee should notify his/her supervisor within 24 hours. In the absence of supervisor, employee can report the incident to division administrator, any administrator, or the Human Resources Department at the District.
2. In case of life threatening incidents, 911 should be notified.
3. In case of minor injury and need for first aid, the health center on each campus may provide temporary relief for the injured worker.
4. The supervisor is required to complete the appropriate form and also provide the necessary form for the injured employee.
5. Once completed, the supervisor will forward the required forms the office of Human Resources..
6. Human Resources will then review the forms for completion and gather any facts needed: detail information regarding the incident, loss time, medical treatment referrals, witnesses; any information necessary to report to Sedgwick Claims Management Service.
7. In case the employee fails to report the injury/illness upon occurrence thinking that it is not severe enough but feels the consequences later, he/she should go through the above process as soon as possible.
8. Employees may choose to pre-designate their personal physician for treatment of job related injury/illness. However, they should do so prior to the injury. Otherwise, employee can seek medical treatment through one of the District designated medical panel facilities. The list is available on the District Portal website, under HR downloads.
9. **Sedgwick Claims Management Service** has sole responsibility for approving or denying claims for worker's compensation.

Pay While on Worker's Comp

Payment for worker's compensation claims that are approved by Sedwick, will be processed as follows:

1. WC Total Temporary Disability (TTD) provides 2/3 of the pay. However, for employees that 2/3 of their earnings is higher than state disability allowance, the amount paid by TTD will be less than 2/3 of their regular earnings.
2. Per articles 10.2 in CSEA, 10.4 in AFSCME, and 11.2 in AFT collective bargaining agreement, the District compensates the injured employee by 1/3 (or more for higher paid employees) of their earnings for the first 60 working days of their injury. As a result, employee will receive full earnings through TTD and District portion for the first 60 working days.
3. In order for TTD to be paid from the first day, employee should be off work for more than 14 working days or to be hospitalized. Otherwise, TTD will not be paid for the first three (3) days. However, the District will compensate the employee for the full pay for those days.
4. The 60-day pay provided by the District is per injury/illness per fiscal year.
5. After the 60-day period if employee is still off, TTD will continue to pay 2/3 of earnings (with the limitation mentioned above) and 1/3 will be charged to sick leave and extended sick leave, if and when applicable, for all employees.
6. When all sick leave/extended sick leave is exhausted, employees in classified services can use vacation and compensatory time to cover the remaining 1/3 of their earnings. Certificated employees may use unit banking for the coverage.
7. If and when the employee has completely recovered to their best ability and has permanent disability limitations or restrictions, he/she may be entitled to permanent disability per the treating physician and state law and will no longer receive TTD payments.
8. Short Term Disability (STD) and Long Term Disability (LTD) payable at maximum 2/3 of salary through Hartford Life & Accident Insurance will start upon termination of TTD payments.

Group Insurance Benefits

While on paid status through TTD, sick leave, extended sick leave, vacation, and unit banking (certificated employees), the District will continue the group insurance benefits. After exhausting all the paid leave mentioned, the District will continue the benefits for an additional five months and employee will be responsible for over the cap amount (if any) only. Retirement Plans/Benefits

Regular employees of the San Mateo County Community College District, based on their employment classification, can choose one of the following two retirement systems. Both systems offer a “defined benefit” plan which provides benefits that are calculated using a “defined formula” rather than contributions and earnings to a savings plan. Retirement benefits are calculated using member’s years of service credit, age at retirement, and final compensation.

1. California Public Employee’s Retirement System (**CalPERS**): employees who have been members prior to January 1, 2013, contribute 7% of their creditable compensation per month. Employees whose membership begins on or after January 1, 2013, contribute 6% of their creditable compensation per month. The employer contribution rate is set by CapPERS each fiscal year and the rate is usually higher than the employee contribution rate. Please refer to CalPERS Member Handbook available at HR downloads for details.
2. California State Teacher’s Retirement System (**CalSTRS**): employees contribute 8% and employers contribute 8.25% of employee’s creditable compensation per month. However, the benefit formula for employees whose membership begins on or after January 1, 2013, is different from members prior to the said date. Please refer to CalSTRS Member Handbook available at HR downloads for details.

Social Security Benefits

Employees of the San Mateo County Community College District who are part of the classified services, also contribute for Social Security Benefits and the District contributes the employer share. However, regular certificated employees are not eligible for the benefits and there are no contributions by the employee or the District.

Other

1. Cash Balance Benefit Program, an Internal Revenue Code 401, is designed specifically for part-time educators and adjunct faculty. Generally if eligible, employee and employer each contribute 4% of employee’s gross salary per month.

However, the above employees have the option of choosing Social Security Benefits or CalSTRS defined benefits (if applicable) instead of Cash Balance Program.

2. 403 (b) and 457 (tax-sheltered) Plans are offered by the District to allow employees to make pretax contributions for retirement purposes. The District does not make any contributions and the earnings in these plans grow tax-deferred.

For a complete list of approved vendors and contact information, please check the HR downloads. You can also visit www.403bcompare.com for plan fees, charges, expenses, and other costs to employees.

Employees of the San Mateo County Community College District may be eligible for Retiree Fringe Benefits (medical and dental benefits) upon retirement. The combination of age and years of service should equal at least 75 (often called “Magic 75”) to qualify for Retiree Fringe Benefits. However, depending on the original hire date, the eligibility criteria and type of benefits may be different.

Please refer to Retiree Fringe Benefits Handbook under the HR downloads for more details.

Adjunct Faculty Benefits

Adjunct faculty who are employed and complete at least 40% of a full-time load, may be eligible for the following benefits. Please contact the office of Human Resources for eligibility requirements and necessary forms.

Illness and Injury Prevention Program

It is the policy of SMCCCD to provide a safe and healthy campus environment for SMCCCD personnel, students, and visitors and to promote safety awareness at all levels. To help achieve this goal, SMCCCD promotes a comprehensive Illness and Injury Prevention Program (IIPP) that integrates a cooperative effort of the whole campus community to identify and eliminate unsafe conditions/practices, to control health hazards, and to comply fully with all applicable safety and health regulations.

As delegated by the SMCCCD, individual College deans, directors, department chairs, managers, and supervisors take a leadership role in ensuring the IIPP's effectiveness by promoting safety awareness for those they supervise and ensuring that all operations under their control are conducted in compliance with applicable regulations, SMCCCD policy, and this IIPP. Please check the Illness and Injury Prevention Program under the HR downloads for details.

maximum loan amount is \$50,000.00 and for the duration of ten years of which the first five years would interest and payment free.

Use of Cellular Phone for Business

Employees of the San Mateo County Community College District may need to use cellular telephones to conduct legitimate SMCCCD business, and such use is a predictable necessity. SMCCCD will provide cellular telephones by one of the three

following plans for authorized employees who use a cellular telephone during the course of their daily business:

- 1) A Stipend Allowance

Stipend Allowance

This plan provides a taxable allowance to the employee in advance. The allowance will appear on the employee's paycheck and will be reportable as State and Federal taxable income, and is not re-payable to the District. Eligibility for this stipend as well as the amount of the stipend will be determined by the employee's supervisor. However, the maximum monthly allowance shall not exceed \$90.00.

District issued cellular telephone

Individually assigned cellular telephones will be issued based on approval by the Department Administrator. The sole purpose of these telephones is for business use only. Personal calls are not permitted in order to ensure compliance with IRS tax laws. In this case, the Department Administrator will be responsible for implementing proper tracking and collection of cellular telephone charges. All cellular telephone documents must be kept for three years.

Reimbursement of personal cellular telephone for business use

Employees who need to use their personal cellular telephone for business use on an occasional basis are eligible for reimbursement. Whenever possible, prior authorization should be obtained from the employee's supervisor (before attending conferences, travel, etc.). A copy of the bill with highlighted calls made for business must be submitted when requesting reimbursement.

Please refer to article 19 of the CSEA contract, article 18 of the AFSCME contract, and article 14 of the AFT contract for details.
